1. *Consolata, write this down - I impose it on you under obedience - that for a single act of love, I would create Paradise. (Jesus)*
2. *The ceaseless act of love contains all good resolutions; by practicing it, you accomplish all the others. (Jesus)*
3. *The ceaseless act of love is your flag; defend it before the enemy, at the cost of your life. (Jesus)*
4. *Put all of your efforts into being firmly united to the "Vine", do not detach yourself from "Jesus only" not even with a thought (I'll think of everything), not even with a word not required. (Jesus)*
5. *See, I am Love, and as long as you stay in love, you stay in Me, but I also in you. (Jesus)*
6. *The generosity I expect from you is the acceptance of suffering, minute by minute; suffering, not sought after, but accepted as I accepted it Myself. (Jesus)*
7. *Love Me for all of them and, through your prayer and your immolation, I'll prepare in the world the coming of my love! (Jesus)*
8. *I saved the souls through a martyrdom of love and pain; and you will also save them that way. (Jesus)*
9. *Silence and meditation separates me from the earth, the ceaseless act of love unites me to God.*
