1. *Love Me, Consolata, love Me only; in love there is everything. When you love Me, you give Jesus everything He desires from his creatures: love!. (Jesus)*

2. *Tell Me, what more beautiful prayer do you want to make Me? "Jesus, Mary I love you, save souls!": love and souls, what do you want more beautiful? (Jesus)*

3. *Do you think I could not grant you this ceaseless act of love? You see, it pleases Me to see you struggle, fall, get up, in one word your efforts; to see what you know what to do. And you know when I am most happy?*

When you are firm, rising above everything, you continue your act of love. (Jesus)

4. *Give Me all of your words, I want them all. I want a continuous silence. I want you to be all Mine. (Jesus)*

5. *Close every door to the senses. Let's live in intimacy, always, the two Of us, alone. Deny entrance to every thought, to everything, always the two of us alone. (Jesus)*

6. *Always do everything you can, never avoid making a single sacrifice, never refuse. I will always help you to persevere in your duties towards charity. (Jesus)*

7. *Consolata, I have rights on you, and you only have one: that of obeying Me. I need a docile will which allows Me to do everything, which lends itself to everything, which relies on Me and always serves Me, in all circumstances, with peace and joy. (Jesus)*

8. *Ask Me for love, the triumph of my love for you, for each soul on earth, that exists now, and that will exist until the end of the ages. (Jesus)*

9. *I'm not always able to express myself as I feel the need, but I understood that in practice, an act of love gives Jesus to the soul, that is increases its grace; it's like a Communion. (Sister M. Consolata)*
